TOD SLONE SERIES- HORSE STALLS

South Texas can be a harsh environment for horses. The design concept, brought to us from former PRCA World Champion Calf Roper Tod Slone, provides an ideal environment with quality air flow.

- Available in galvanized or hot dipped galvanized
- Spring loaded latches on feeder window and gate
- Your choice of pin connections
- This system should not be used in conjunction with the housing of stud horses.
- 12" clearance on 2" x 4" wire side panels
- Hanging feeder allows horse to eat naturally
- All bars saddled and fitted before welding
